FOR THE ONES WHO TRAVEL BY HEART, NOT ITINERARY

At BanjaRaah, we don't follow itineraries, we follow vibes. Every trip flows with the energy of the group, the weather, and the wild little moments that make travel unforgettable. Think unplanned detours, inside jokes, late-night laughs, and friendships that hit you out of nowhere. If you're someone who loves freedom over fixed plans, stories over schedules, and memories that happen naturally... welcome to the tribe. Here, the journey shapes itself and so do you.

Day 01 : Udaipur Exploration & Villa Chill

We reach Udaipur while the city is still waking up. After a quick breakfast on the way, we chase the first views of the day at ***Bahubali Hills***, soaking in that sunrise and the calm of the Aravallis.

From there, we slowly make our way through the old soul of Udaipur — Lake Pichola, Gangaur Ghat, and the beautiful chaos of the city around it. ***Lunch at a Lakeside Restro.***

By afternoon, it's time to ***check into our premium villa*** — our little home for the night. Drop the bags, forget the clock and just breathe.

And as the sun goes down, BanjaRaah mode ON.
A pool, music, dance, ridiculous games, endless conversations and probably a few reels we'll laugh about later.

Because the first day isn't about ticking places off a map.
It's about getting comfortable with strangers who might not feel like strangers by tomorrow.

02: JAWAI, INTO THE WILD

Wakeup to a slow morning, share a good breakfast and bid goodbye to our villa before heading towards Jawai – where the landscape changes, the roads get quieter and the wild begins to take over.

Our afternoon is all about getting off the usual trail. We hop into ***4x4 jeeps for the Jawai Leopard Safari,*** chasing glimpses of the elusive leopards while moving through Jawai's raw granite landscape, hills and villages. ***Hi-Tea at a Scenic point*** during Safari.

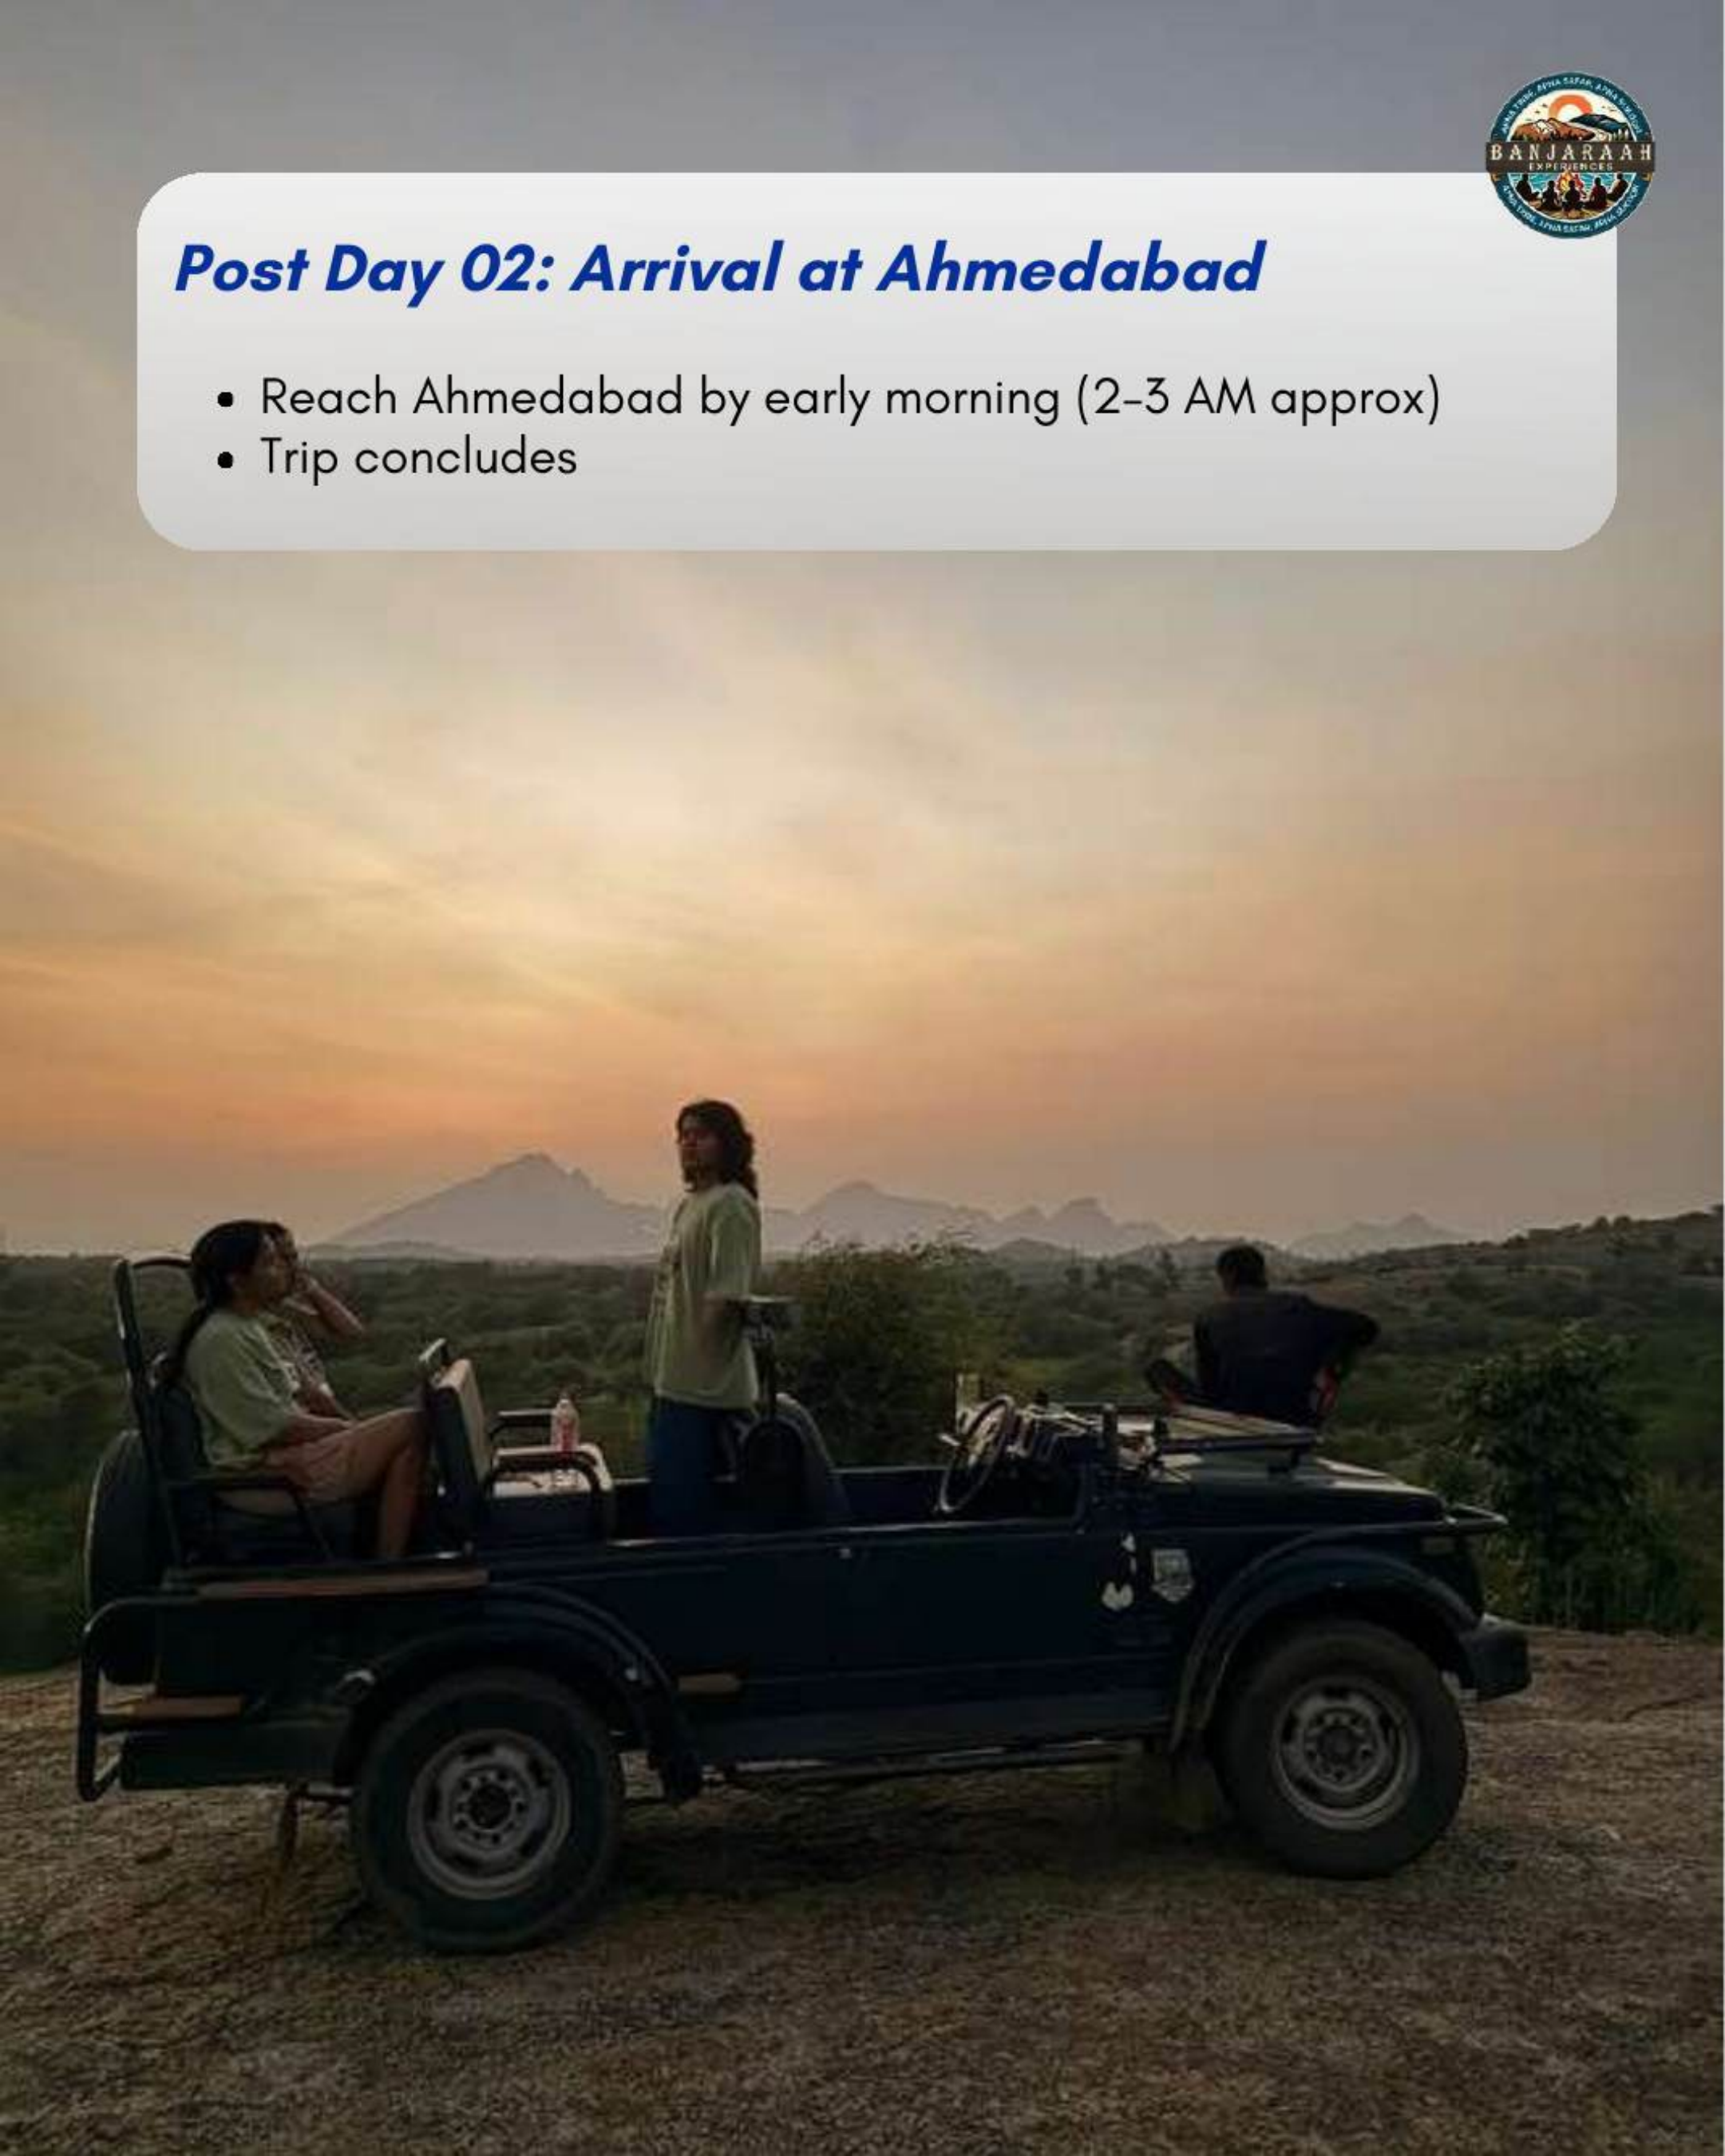

No guarantees, no rushing – just wildlife, open skies and the thrill of not knowing what's around the next bend.
As the evening settles in, we gather for one last dinner, exchange stories from the journey and soak in the last bit of Jawai.

Then, it's time to head back towards Ahmedabad –a little tired, a lot happier, and carrying stories that weren't on the itinerary.
